Dear Roena,

Sorry I didn't have these to put in your Christmas Cards. Maybe we aren't beautiful, but we are real - something we sometimes wonder about the people we correspond with for years without ever really meeting.

And I can even brag that I've met someone who spoke at the Ford Theater in DC !! I'm impressed.

Merry Christmas

December, 2011

Dear Roena,

Merry Christmas 2011

And hope you aren't too deep in snow. As you may have noticed in the reports, here in Texas we have had a very hot, dry year, and with little hope of much relief. At the moment, we have a cloudy day , with cool temps, and hopes for rain, maybe. Not that we readily get our hopes up at such a prediction.

But Christmas is around the corner, so let Joy Reign.

My preoccupation is getting things re-arranged with no Louis in my life, after over 70 years. The end came quickly, not sure if he just got tired, or if something else happened. In less than 12 hours, he was no longer here. (June 27, 2011) But 7- 8 years of Parkinson's Disease is, really, enough.

I shall stay in San Antonio, because the three boys live across the States from East Coast to West. And it is usually warm in Texas, and I prefer hot to cold.

Mike, our oldest, and most mobile, and Margaret were here for Thanksgiving. Margaret is a student of genealogy, and interested in the families. She volunteers at one of the Family History Centers near them in the Los Angeles area. While here, I introduced her to our files this time. She was most complimentary of our work. Amazed, actually. I got down from the shelf, the stack of notebooks that we had used to note our findings in the libraries during those 15 years. She weighed them to judge how to carry them back in their luggage; about 8 pounds or so! And that was just the notes. We also have files, and piles, of copied documents, Of course, too. In the last few years of our fun, Louis did much directly onto the computer, and she has had a CD of that data for several years, - to which she keeps up-dating, thank goodness. Louis and I had stopped gathering much after 2003.

But it had been a wonderful 70 years, full to brim of wonderful memories. So I can chose to honor him in my own way, not mournful, but Thankfully.

I do remember the visits with each of the 'found' members of the families we made during those travels. Do hope your year has been good. Genealogy has many rewards. Discovery, visits with interesting, distinguished members of the far flung family, and great stories of people.

I wish you a very happy Holiday season!

Mrs. Roena Bayes

Fairfield, PA 17320

Dear Mrs. Bayes:

My first cousin, Roger Cramer of Ft. Wayne, Indiana, has given me your address along with information that you have been researching the Haley/Healy/Healey/etc. family. Roger further informed me that he stopped actively working on genealogy some time in 1989, however, he is still interested in both his immediate family (Cramer) and the Haley's. We have conferred several times and have been able to confirm a considerable amount of each other's information and data. Roger's mother and my father were brother and sister. Roger and I are also related through my mother's family (Cramer and Vandine).

I have been able to document and verify my ancestors back to Richard Healey, born ABT 1786, married Rachel Cotton on 16 April 1807 (Cotton Bible). There were nine issues to this union of which my branch of the family is from the marriage of James Haley, Sr. and Catherine Elmere Matthews (26 April 1838).

The problem that I have, which I hope that you can assist, is that I have not been able to document and verify Richard Healey's father and grandfather. According to information left to me by my father and grandfather Richard Healey's father was John Haley (Healy) whose wife was named Sarah. John's father was a James Haley (Healy) who was a veteran of the Revolutionary War from Virginia. THIS INFORMATION IS HEARSAY AND NOT RELIABLE. In my studies I have come across several individuals named John and James Haley in the late 18th century in Virginia, Maryland, and Pennsylvania, but have not been able to make any connection. Do you have any information on this?

To confuse the issue, I will relate a conversation (verbal history) that I had with a Great Uncle during the summer of 1958 when I was back in the U.S. on home leave.

> "Sedgwick Haley, whose father was born in Ireland came to America many years ago, when he married a Miss Jeans. Seven children born to this union. Those that he remembered were; Daniel, James, John, Richard, Enoch and Sedgwick. Sedgwick's father died in Holmes County, Ohio."
>
> "Sedgwick married Rebecca Dailey from Washington Co., PA. Children were: Jefferson, Simeon, Sarah, John, Silas, Mary and Sedgwick (twins), Rebecca and Charles. All born in Ohio (Holmes and Tuscarawas counties."

Unfortunately, I do not have the dates. They were listed in a bible and I did not record them. Surviving children of my great uncle have no recollection of the old bible. Considerable effort and expense has been made trying to locate the bible without avail.

Now to give you a little personal background on myself. I am a retired U. S. Army Officer, an engineer, and a veterinarian. I grew up on a farm in Huntington county, Indiana. After retiring from my third career, working overseas in the tropics, Mrs. Haley and I decided to locate in San Antonio, Texas. It is a long way from your immediate families in Huntington County, Indiana, but the living conditions, climate, etc., are very favorable and pleasant. We enjoy living where it does not get very cold and venture north during the summers. This summer we plan to visit Holmes County, Ohio, as well as the Genealogy Library in Ft. Wayne, Indiana.

I will be very pleased to exchange information with you. I am enclosing a SASE for your convenience.

I am looking forward with anticipation of hearing from you.

Sincerely,

Louis E. Haley

Dec. 2005

We wish each and all a
MERRY CHRISTMAS AND
GOOD TIDINGS FOR THE NEW YEAR

Dear Family and Friends,

Although it has not been a bad year for us, it has been trying. On 14 January, the day before our 64th wedding anniversary, it was necessary that Louis move to the health care center, Park Lane West. PLW is attached to our building of The Towers at Park Lane. It is possible for me to walk over through a hallway to be with him several times a day. When it was possible for him to walk on his own, Louis could come back to the apartment by himself; hopefully after he had called to let me know he was coming.

We were glad several of the family could take time to visit us, and reassure Louis that he was not put aside and forgotten. Brea came for Louis' 86th birthday, Mike and Margaret came several times, and everyone came early in October for my 85th birthday. Edith (Sis) and Mary Kay came later in October, otherwise they would have been lost in the birthday scramble. Early in December, Mike, Margaret and Ryan were here, too. With those visits, and easy email, we are blessed not to be forgotten.

The holidays are upon us, Jim, Julie, and the three grands will be with us for Christmas. Jim even asked to do the Christmas dinner. Pauline Squibb, Louis' Office manager in Lampung, Indonesia, also lives here in San Antonio. Pauline and I were 'partners in crime' during our sojourn in Indonesia. Her husband, David, who was also an ECI member, passed away in October. We consider her part of our extended family, and will be with us for Christmas.

May your holidays be filled with love and laughter!

DEC 05 1992

Dear Roena:

We enjoyed meeting you last summer in Ft. Wayne, IN. It is regretted that we did not have longer to visit. Maybe we can get together again sometime in the future. Please excuse my delay in writing to you. There is no excuse except that Norma and I did not return to San Antonio until 17 November. It was a long summer and fall, and we spent more money than we had planned. However, we did get back home before we got caught in a northern blizzard. It is rather cold here, was 24 deg. last night and had a high of 50 today with 10 mph winds. It is cold for us. We had planned to go to Salt Lake City but weather and shortage of funds cancelled that portion of our trip.

I have began wondering for quite some time since you gave me data on a 'John Haley' who could have had two wives [Sarah & Elizabeth] whose Kent Co., MD, will listed 9 children. The following reference indicates that there were nine (9) children by John & Elizabeth, if the male over the age 16 is assumed to be 'John'. Who is the second John Haley (p. 62, below)? He is the same age as the John that has a wife named Elizabeth but the children are of different ages. Did the John, p. 62, ref. below, have two wives or one wife and another person living with him? Both women are listed as having an age of 36. Who is the John married to Ann, is he the son of John and Elizabeth?

SOURCE: MARYLAND RECORDS, COLONIAL REVOLUTIONARY, COUNTY AND CHURCH, By Brumbaugh, Gaws Marcus, 1915. Vol. 1. Census 1776, St. John's and Prince George's Parishes. ACPL, Ft. Wayne, In. 2 Sep 1992.

p. 58 John Halley,(Age 37)
White males 16 & Over = 1
Males, ages 10, 8, 4, 1
Elizabeth Halley (Age 40)
Females, ages 14, 12, 7, 2

p. 62 John Halley
Males, ages 37, 19, 17, 13, 5, 3
~~Winifred~~ Mary Halley (it is marked out on the records.)
Females, ages 36, 36, 16, 7, 5, 1
One Female Slave, Age 21

On the FR sheet showing nine children, you list 'Elizabeth' and 'Sarah'. Where does this Sarah come from? If the above assumption is correct, why isn't 'Moses' listed as one of the children making the list ten (10) children?

I know that you have thought about these things for a long time. I wish that I could help you sort this out, but from here in San Antonio it is very difficult.

Our library here in San Antonio is good for Texas Genealogy and does not have much on the Middle Atlantic states. However, I will try to glean every thing that I can and get it to you.

During the last two summers Norma and I have collected some information that may help out but I can not place the people in the family. The following are some of the data that I cannot place in the family:

[As stated above I have not been able to place these people in the family]

I have run across a considerable number of southern Haley's, starting in colonial Virginia and progressing southward and westward. I have not, at this time, made any attempt to see if there is any relationship except to ascertain that my immediate family is not connected (?). So much for this.

I believe that we are currently progressing in the correct direction. I am extremely interested in collateral lines but I must set a priority or nothing will get done.

On Norma's family I have them back to when they came to America and where they came from and have almost completed all of the direct name "Whinery" collaterals--excluding the southern Whinery's. Cannot make a connection between the York County, Pennsylvania and North Carolina, Tennessee, Arkansas, Oklahoma, Texas Whinery's. Some day this will happen. So far I have 131 completed Whinery families. Norma's 4th great grandfather, Thomas Whinery, (a Quaker) Newberry Twp., York Co., PA, is a veteran of the Revolutionary War, and her papers have been submitted for membership in the DAR.

For my mother's family, Cramer, I have traced my ancestry back to Germany.

My 3rd great grandfather, Helfer Cramer, Codorus Twp., York Co., PA, was a veteran of the Revolutionary War. I just received notification of my membership in the SAR.

The SAR/DAR activities and searches have taken time from researching the Haley family. I did find the following on a John Haley who was in the 3rd MD Regt. in the Revolutionary War:

...hope that I have not confused the issue. I would like to spend at least

a week with you going over the family. If funds permit, I would like to come east next summer, after my grandson has graduated from high school in Terre Haute, IN. Our first stop would be in York Co., PA, to do further research on both the Cramer and Whinery families and then on to visit with you. I do not, at this time, have specific dates, but it will be some time in early June. I need to be in Denver, CO, the last week of June. LET'S START PLANNING AND BLOCKING OUT DATES.

Norma and I send our best wishes to you and your brother for the HOLIDAY SEASON and 1993.

With fond regards,

Louis

Dear Roena,

How are you? We hope that you are in good health and enjoying the summer. Have you made your annual trip to see your cousin in Ohio?

Norma and I are progressing fairly well, in fact, very good for a couple of 78 year young spry kids. Of course we have the traditional blues, colds, and all that kind stuff that goes along with young people. The weather here in San Antonio is nice and warm, in the upper 90's to 103 and no rain. The electricity bill has gone through the roof because of air conditioning. We try to keep the apartment at 80 degrees and still the bill is very high.

I finally became interested again in Family History and have a question for you. I came across a John Haly who married Sarah Rutter on 6 December 1842 in Holmes County. I have not been able to identify him. Could his parents be James Haley & Hester Potter? Do you have any way to identify this couple?

I Love 9 Dec. 184
by R.D. Emerson

We do not know when we will be able to visit South Central PA. Maybe next summer when we visit our youngest son in Beckley, WV. This is the son that lived in Lewisburg, PA, then to Alaska and now in West Virginia.

Would you please send me your mailing address and telephone number. My address book was in my suitcase and the whole shebang was stolen, this was a great loss.

Well I am out of words

Dear Roena:

Thank you for yours of 31 May. Norma, Mrs. Haley, and I returned to San Antonio last Thursday after a month's absence. We went to our youngest son's (Jim) graduation from dental school at the University of Texas-Houston, we then moved he and his wife to Denver, CO, where he will be in residency at the V. A. Hospital for one year. Jim and I took a trip into northern Wyoming where he wants to set up a practice, boy was it cold up there.

Norma and I plan to be in Indiana during the months of July and August. Plan to depart San Antonio on 7 July. We plan to attend two reunions, one at North Manchester, Indiana (a collateral family on my mother's side of the family) and then to Salem, Ohio, to attend the Whinery reunion, I do not remember the date (sometime in August) and will have to contact my brother-in-law in Huntington, Ind. If funds hold out we would like to go to Holmes and Wayne Counties, Ohio. MAYBE SOME TIME IN AUGUST WE CAN MANAGE TO MEET SOME WHERE IN INDIANA OR OHIO.

My contact in Indiana are:

1) Michael P. Haley (who will know of our movements)
   4075 E. 30th Drive
   Terre Haute, IN 47802
   Phone: 812-232-5824

2) Joan Haley

   Phone: 219-786-3817

3) Larry A. Whinery
   188 East, 100 South
   Huntington, IN 46750

We will be staying with my sister (2) or my brother-in-law (2) while working in the Ft. Wayne Library.

The dates in July that we are firmly booked are: 10, 11, 12 & 25. The known booked dates in August are 1, 2 + the Whinery Family reunion at Salem Ohio. I must be back in San Antonio by not later than 26 September to help prepare for the Retirement Appreciation Day at Ft. Sam Houston.

Yes, like most people I am interested in my direct line, however, as you may notice from the family sheets and the cascading pedigree charts I am equally interested in the collateral lines. Unfortunately, Roger was interested in only his direct lines. I have found that, in studying the collateral lines of the three main families that I am interested in (Haley, Cramer, and Whinery), there is a considerable amount of history and data that helps one in achieving the overall goal in genealogy.

Roger has provided me with some information on both the Haley and Cramer families but very little on collateral families. He also gave me the address of Dave Marshall in Millersburg, OH. I have not yet contacted him but hope to do so this summer.

Yes, I am computerized. I use the Mormon Church's Personal Ancestral File (PAF). I also have Brothers Keeper 5 (BK5), but I have more than 3,000 names in the computer and it would take a lot of time to convert over to BK5 from PAF. Therefore I am staying with PAF.

Before I forget it, I am enclosing (1) a copy of my relationship calculation with Roger, (2) direct line pedigree chart beginning with our eldest grandson, (3) cascading pedigree chart beginning with our eldest grand son [you can notice that a lot of work still has to be done], and (4) family record sheets for the Haley family - direct line.

I have just recently started collecting data on the Cotton, Bell, Smith, Wince, Simon, Mathews and other Haley related families.

Most of the collateral work has been done on the Cramer and Whinery families. On the Whinery side I have 35 families and on the Cramer side I am working on 21 families with more to be done.

NOW TO THE HALEY FAMILY:

I have not had time to study or digest the data and information that you sent me. However, I do have a few comments/questions.

1. John Healy, w. Sarah Wilson. Thanks for the additional information. I now have a better understanding. We have independently identified John's wife as Sarah Wilson and living with her daughter, Sarah (Healy) Castor in Holmes Co., Ohio.

Your excellent research on John Healy/Haley sale of land on 7 Sept 1787 indicates that **Richard Healy** was not born in Ohio Twp. (Beaver), PA in 1786. THIS IS ONE OF THE DEAD ENDS THAT HAS GIVEN ME HEADACHES FOR THE PAST TWO YEARS - I HAVE NOT BEEN ABLE TO ESTABLISH THE PLACE OF RICHARD'S BIRTH

I have not been able to determine who his (John) father and mother were. I believe the same as you that they were John and Ann - but so far I do not have docu-

Unfortunately, Roger was interested in only his direct lines. I have found that, in studying the collateral lines of the three main families that I am interested in (Haley, Cramer, and Whitney), there is a considerable amount of history and data that helps one in achieving the overall goal in genealogy.

Roger has provided me with some information on both the Haley and Cramer families but very little on collateral families. He also gave me the address of Dave Marshall in Millersburg, OH. I have not yet contacted him but hope to do so this summer.

Yes, I am computerized. I use the Morman Church's Personal Ancestral File (PAF). I also have Brothers Keeper 5 (BK5), but I have more than 3,000 names in the computer and it would take a lot of time to convert over to BK5 from PAF. Therefore I am staying with PAF.

Before I forget it, I am enclosing (1) a copy of my relationship calculation with Roger, (2) direct line pedigree chart beginning with our eldest grandson, (3) cascading pedigree chart beginning with our eldest grandson (you can notice that a lot of work still has to be done), and (4) family record sheets for the Haley family - direct line.

I have just recently started collecting data on the Cotton, Bell, Smith, Wince, Simon, Mathews and other Haley related families.

Most of the collateral work has been done on the Cramer and Whitnery families. On the Whitnery side I have 25 families and on the Cramer side I am working on 23 families with more to be done.

NOW TO THE HALEY FAMILY:

I have not had time to study or digest the data and information that you sent me. However, I do have a few comments/questions.

1. John Healy, w. Sarah Wilson. Thanks for the additional information. I now have a better understanding. We have independently identified Johnie with Sarah Wilson and living with her daughter, Sarah (Healy) Castor in Holmes Co., Ohio.

Your excellent research on John Healy/Haley sale of land on 7 Sept 1787 indicates that Richard Healy was not born in Ohio Twp., (Beaver), PA in 1786. THIS IS ONE OF THE DEAD ENDS THAT HAS GIVEN ME HEADACHES FOR THE PAST TWO YEARS - I HAVE NOT BEEN ABLE TO ESTABLISH THE PLACE OF RICHARD'S BIRTH

I have not been able to determine who his (John) father and mother were. I believe the same as you that they were John and Ann - but so far I do not have docu-

mentary proof.

I was not able to find John Haley in the MD 1790 Census but was able to find a James Haley in Kent Co., on p. 233 and John Haley in Baltimore, p. 229 of the 1800 MD Census.

2. Richard Healy - Birth Place? See above.

You have been a great help. I need to read and study what you have provided me and put things in an orderly manner before making any more comments.

I hope that we can meet this summer. Please send me your telephone number.

Width Best Regards,

Dear Roena:

It has been a long time since our last contact. We had planned to visit Indiana and Ohio this past summer and do some more family history research. Well, we did visit Terre Haute, IN, for our grand son's high school graduation then on to Kansas City for a few days then to Denver to assist our young son who was graduating from his residency at the VA Hospital and getting ready to join the PHS on an Indian Reservation in North Dakota. We did return to Plymouth, IN, to be with Norma's sister for a few days and then back to work at Ft. Sam Houston. Did not get much family history work done in Ft. Wayne. On our way back to Texas, at the Son's of the American Revolution Library in Louisville, KY, where I down loaded some information from the LDS family Ancestral File and the IGI, it is discussed below. [I have finally stopped working solely on Norma's family and again started on the Haley's].

I did not get to look at the data from the LDS files until late in August and I have become more confused about the John Haley's. A copy of the computer print out is attached. As you will notice that the first print out is for John Haley and Elizabeth _____ and their children [with my pencil comments], some of the children agree with John's will and other's do not. The family group sheet provided by you agrees with the will. A further study of the material provided by you might indicate that Moses was from a second marriage? maybe not according to the IGI. The 1776 Census lists John & Elizabeth with children consisting of 4 males (10,8,4,1 yrs) and 4 females (14,12,7,2 yrs) which does not agree with the will in numbers or sex of children. The will lists 3 males and 6 females. The computer FG print out lists 4 males & 4 females, but names do not totally agree.

The second computer printout is a descendancy chart submitted by a Mr. Edward Lanyon Woodward, 21 Pond Lane, Armonk, NY 10504. [Have written to him with no reply for the last 2 1/2 months, maybe, since you are closer you could check this out].

Last summer, when in Ft. Wayne, I found an abstract of a will for a Elizabeth Haley, naming a daughter ELIZABETH and a son-in-law Robert Gordon as guardian of Elizabeth. No other children or husband listed. Could this Elizabeth be the daughter of John & Elizabeth?

A John Haley was transported from Virginia in 1665 to Maryland. Could this be the patriarch of the Maryland Haley Line? I take it to that "transported" means a requested removal, based upon word usage of the time.

I am so confused that I do not know how to write down what I want to say, especially when I start to tieing the various John's together. Wish I could talk to somebody about it. Could you please help?

If you so desire please telephone me on our TOLL FREE NUMBER, it is:

800-769-6980.

If we are not in Norma will come on the line after 4 rings and say "you have reached phone no. 828-6980". Leave a message and we will get back to you. The toll free number is tied into our regular commercial number which is 210-828-6980.

The following is enclosed, from information in my file:

1. Family Group Record, LDS Ancestral File, for John Haley
2. Descendancy Chart for John & Elizabeth Haley
3. Family Group Sheet, provided by you, for John & Elizabeth with pencil notes
4. Extract of Will, provided by you, for John Haley probate date Jan 25, 1755
5. Extract of Will for Elizabeth Halley, probated 24 Aug 1773
6. Extract of IGI,selected MD & PA for Haley, etc
7. Selected Will & Probate data
8. Marriage record information - to me this is the stumbling block, the lack of marriage information

Any help or suggestions that you have to offer to get me back on the right track will be appreciated. Also, I have not been able to find the parents or place of birth of Richard Healey/Haly/Haley, my 4th great grandfather, who married Rachel Cotton.

Norma sends her best. Sincerely,

Louis
